## INVESTMENT SOLUTION

Using this approach, we generate alpha through pure bottom-up stock picking and extensive research. We employ multi-pronged investment strategies and leverage proprietary models like E-Qual Model to deliver consistent long-term returns.

### E-Qual Framework

First of its kind model in the country which calibrates the “Governance” aspect of a company. Each company is evaluated on the basis of the following parameters and a score is assigned to them.

### Three Pronged Investment Process
